

Richland Citizens for Good Schools

Support Students Day – Thursday, February 2, 2012

The Richland Citizens for Good Schools M&O Levy Committee would like to invite all elementary parent groups, as well as middle and high school leadership classes or ASB representatives to participate in this important one-day event. The goal of this event is to put a face to the M&O levy and who it directly affects, the students. We are asking each school to go to the below locations from 6:30-8:00am (can modify time if needed). If leadership students are involved with sports, band, dance, etc. it would be great if they could wear their uniforms (or school colors if they don't have a uniform) while holding signs in support of the levy.

Please go to the following locations, staying a safe distance from the roadway:
